Best dressed – French theme

Bonjour... My name is Pariss & I'm raising money to spend 6 months abroad on exchange with World Education Program (WEP) a not-for-profit student exchange organization registered with the education department.

My destination: Le Francais, Bon Voyage; September 2012-January 2013 & I can't wait to experience their language, food, school & life in another culture!

I hope you can join me for a fun night, with all money raised helping me achieve my target of \$8000
